SUBJECT INDEX

A

- abdomen, septic, management of by Marlex mesh zipper (Surg. Technique) 385
- abdominal
 - aortic reconstruction (Review) 103
 - incisional hernia versus rectal divarication 819
 - surgery, postoperative fatigue (Surg. Research) 744
 - trauma and diaphragmatic rupture 207
- Aboriginal children, renal abscess in 217
- abscess
 - multiple hepatic, from *Y. colitica* (Case Report) 708
 - pyogenic psoas (Case Report) 857
 - renal, in children 217
 - retrorectal, from Crohn's disease (Case Report) 399
 - sub-areolar, and mammary fistula (Case Report) 313
- abstracts of Surgical Research Society of Australasia December 1990 meeting (Surg. Research) 516
- achalasia of the oesophagus 43
- acute presentation of benign meningioma (Case Report) 553
- Adelaide Hospital, Mrs L's Case, 1896 (Surg. History) 780
- adenocarcinoma
 - in colonic oesophageal segment (Case Report) 953
 - in duodenal duplication cyst (Case Report) 551
 - in female urethral diverticulum (Case Report) 869
- adenoma, parathyroid, with pancreatitis (Case Report) 396
- adenoma-carcinoma sequence of bowel 409
- adjuvant therapy
 - for Dukes' C colon cancer after resection (Review) 7
 - for colon and rectal cancer, NIH Consensus statement (Review) 23
 - in bowel cancer (Editorial) 3
 - of colorectal cancer (Review) 13
- admission of colorectal cancer patients 603
- advanced trauma life support (Pers. View) 809
- aetiology of Fournier's gangrene 370
- agenesis of the gall-bladder and ectopia in twins 816
- ambulance utilization rates, effect of regionalization on 589
- amino acids, branched chain, effect on colonic atrophy and anastomosis in rat (Surg. Research) 49
- anal carcinoma, association with Crohn's disease (Case Report) 76
- anal ulcerative colitis in proctocolectomy patients 821
- analgesia, bupivacaine wound infiltration for (Surg. Research) 626
- anastomosis
 - bowel, collagen strength in (Review) 179
 - effect of branched chain amino acids on in rat (Surg. Research) 49
- anastomotic leakage, intra-operative lavage in colorectal resection (Surg. Technique) 59
- anatomy
 - of female gubernaculum (Surg. Research) 380
 - Langer's axillary arch in axillary dissection (Surg. Anatomy) 310
- aneurysm
 - bleeding cystic artery, causing haemobilia (Case Report) 159

- ruptured, leiomyosarcoma of femoral artery presenting as (Case Report) 853
- superior mesenteric artery (Case Report) 153
- angiography, digital subtraction, to identify non-recurrent laryngeal nerves 358
- angioplasty of the iliac arteries 267
- annular pancreas, and oesophageal carcinoma (Case Report) 240
- anorectal physiology and pathology 832
- anterior transposition for ulnar neuropathy 929
- antigens, MHC Class II, in Hirschsprung's disease (Surg. Research) 373
- antimicrobial prophylaxis in colorectal surgery in New Zealand 29
- Antoine Lavoisier and the study of respiration (Surg. History) 229
- aorta, thoracic, traumatic rupture of 839
- aortic reconstruction
 - and concomitant renal artery revascularization 119
 - complex abdominal (Review) 103
- Archibald Watson and Mrs L's Case, 1896 (Surg. History) 780
- artery aneurysm, superior mesenteric (Case Report) 153
- artery
 - bypass surgery, warm blood cardioplegia for myocardial preservation during 127
 - revascularization, renal, and concomitant aortic reconstruction 119
 - femoral, leiomyosarcoma of (Case Report) 853
- aspirin, inhibition of human endothelial prostacyclin synthesis by (Surg. Research) 849
- assessment, educational, multiple-choice questions in (Surg. Education) 614
- asymptomatic primary hyperparathyroidism (Editorial) 807
- atherogenesis and platelet-derived growth factor (Review) 482
- atherosclerosis, concomitant renal artery revascularization and aortic reconstruction 119
- audit
 - biliary, experience with 570
 - surgical, developing a system 563
- Australia, low-cost teleradiology for 115
- Australian Clinico-pathological System for staging colorectal carcinoma 137
- autogenous basilic vein with brachio-basilic fistula (Surg. Technique) 631
- autotransfusion, complement factor C3 and C3a levels in (Surg. Research) 302
- axillary dissection
 - in conservative treatment of breast cancer 670
 - Langer's axillary arch in (Surg. Anatomy) 310

B

- balloon urethroplasty, outpatient 511
- basal skull fractures 597
- basilic vein, autogenous, with brachio-basilic fistula (Surg. Technique) 631
- Basingstoke replies (Pers. View) 91
- battery, button, injury to children (Case Report) 535

- Bechet's colitis (Case Report) 547
- Beckwith-Wiedemann syndrome, benign bladder neck polyp in (Case Report) 955
- benign bladder neck polyp in Beckwith-Wiedemann syndrome (Case Report) 955
- bilateral neck dissection, intracranial pressure after (Case Report) 459
- bile duct exploration and cholecystectomy (Pers. View) 814
- biliary
- audit, experience with 570
 - stricture, portal, veno-venous bypass for (Case Report) 316
- bladder
- cancer, invasive, management of (Review) 173
 - endometriosis (Case Report) 81
 - urinary, sarcomatoid carcinoma of (Case Report) 235
- bleeding cystic artery aneurysm causing haemobilia (Case Report) 159
- bleeding peptic ulcer
- management of 187
 - perforation in 183
- blood loss, in watermelon stomach (Case Report) 393
- blunt trauma, ruptured diaphragm after 737
- book reviews 85, 163, 245, 325, 401, 557, 647, 726, 805, 872, 963, 473
- bowel anastomosis, collagen strength in (Review) 179
- bowel cancer, adjuvant therapy in (Editorial) 3
- bowel preparation intolerance (Case Report) 796
- bowel
- adenoma-carcinoma sequence in 409
 - obstruction, ischaemic colitis as complication (Case Report) 73
- brachioabasilic fistula with autogenous basilic vein (Surg. Technique) 631
- branched chain amino acids, effect on colonic atrophy and anastomosis in rat (Surg. Research) 49
- breast cancer
- in the elderly 892
 - in young women, diagnosis of 284
 - early, conservative treatment of 670
 - nodal involvement in 280
 - oestrogen receptor assay of, by immunocytochemistry of fine needle aspirates (Surg. Research) 223
 - preventing (Pers. View) 884
 - screening for (Pers. View) 406
- breast disease, patron saints of (Surg. History) 452
- breast reconstruction, myocutaneous flap in (Surg. Technique) 446
- breast, hamartoma of (Case Report) 713
- Brown-Roberts-Wells system 919
- bupivacaine wound infiltration after cholecystectomy (Surg. Research) 626
- button battery injury to children (Case Report) 535
- bypass grafting, warm blood cardioplegia for myocardial preservation during 127
- bypass, cardiopulmonary, and tissue plasminogen activator for embolus (Case Report) 151

C

- caecal volvulus in a child (Case Report) 860
- calculi, ureteric, endo-urolgical manipulation and ESWL for 654

- canal wall down techniques for cholesteatoma 909
- cancer
- bowel, adjuvant therapy in (Editorial) 3
- breast
- conservative treatment of 670
 - in the elderly 892
 - in young women, diagnosis of 284
 - oestrogen receptor assay of, by immunocytochemistry of fine needle aspirates (Surg. Research) 223
 - preventing (Pers. View) 884
 - screening for (Pers. View) 406
- colorectal
- adjuvant therapy of (Review) 13
 - frequency of admissions of patients with 603
 - ischaemic colitis complicating large bowel obstruction (Case Report) 73
 - NIH Consensus statement on adjuvant therapy for (Review) 23
- gastrointestinal, follow up 765

 - asymptomatic (Editorial) 807
 - diagnosis of (Pers. View) 730
- primary squamous carcinoma of the liver (Case Report) 720

principles of organ preservation (Surg. Research) 765
 proctocolectomy, ulcerative colitis in anal canal of patients 821
 prognostic significance of nuclear DNA in pheochromocytoma (Surg. Research) 695
 prolapse, rectal, sepsis after Ivalon sponge rectopexy for (Case Report) 469
 prophylaxis, antimicrobial, in colorectal surgery in New Zealand 29
 prostacyclin synthesis, human endothelial (Surg. Research) 849
 prostate carcinoma, radiation therapy for 658
 prostate ultrasonography (Review) 332
 prostheses, vascular, infection of 432
 prosthetic vascular graft, infection-resistant (Surg. Research) 436
 psoas abscess
 complicating Crohn's disease 489
 pyogenic (Case Report) 857
 pulmonary embolus, tissue plasminogen activator and cardiopulmonary bypass for (Case Report) 151
 pyloroplasty after intrathoracic transposition of stomach 366
 pyogenic psoas abscess (Case Report) 857

Q

quality of life after palliation of malignant jaundice 501

R

RACS
 lecture on role of the surgical colleges 651
 committed to research (Pers. View) 477
 radiation therapy for prostate carcinoma 658
 radical neck dissection
 nasopharyngeal carcinoma 898
 drainage of free flaps after 903
 radical surgery in management of malignant fibrous histiocytoma (Case Report) 636
 radiotherapy
 conservative treatment of breast cancer 670
 management of testicular seminoma 211
 managing invasive bladder cancer (Review) 173
 intracranial pressure after neck dissection and (Case Report) 459
 rapid versus standard infusion for liver preservation (Surg. Research) 692
 rat, effect of branched chain amino acids on colonic atrophy and anastomosis in rat (Surg. Research) 49
 reading, journals, guidelines for selective (Pers. View) 881
 reconstruction
 aortic, and concomitant renal artery revascularization 119
 breast, myocutaneous flap in (Surg. Technique) 446
 complex abdominal aortic (Review) 103
 digital, use of free flap in (Surg. Technique) 699
 rectal cancer, distal venous spread in (Case Report) 642
 rectal divarication versus abdominal incisional hernia 819
 rectal prolapse, sepsis after Ivalon sponge rectopexy for (Case Report) 469
 rectum, haemangioma of, and childhood haemorrhoids (Case Report) 537
 rectus abdominis myocutaneous flap in breast reconstruction (Surg. Technique) 446
 rectus abdominis muscle flap, closure of post-proctectomy

perineal sinus using (Surg. Technique) 67
 recurrent gastrointestinal cancer, marker assays in follow-up of 765
 regionalization of trauma services in Sydney 589
 renal abscess in children 217
 renal artery revascularization and aortic reconstruction, concomitant 119
 renal impairment, hypoproteinaemia and cephamandole use in patients with (Case Report) 471
 replacement, medial unicompartiment knee 497
 Report) 459
 research, commitment by the RACS (Pers. View) 477
 resection
 adjuvant chemotherapy for Dukes' C colon cancer after (Review) 7
 colorectal, intra-operative lavage in (Surg. Technique) 59
 hepatic, peri-operative mortality in 201
 for congenital tracheal stenosis (Case Report) 801
 respiration, Antoine Lavoisier and the study of (Surg. History) 229
 retrorectal abscess from Crohn's disease (Case Report) 399
 revascularization, renal artery, and concomitant aortic reconstruction 119
 rhabdomyolysis, heroin-induced (Case Report) 533
 rib, osteoid osteoma of (Case Report) 862
 rifampicin impregnation of protein-sealed Dacron graft (Surg. Research) 436
 rotations in testing of medical students (Surg. Education) 949
 round ligament in female gubernaculum (Surg. Research) 380
 rupture
 traumatic diaphragmatic 207
 traumatic, of thoracic aorta 839
 ruptured aneurysm, leiomyosarcoma of femoral artery presenting as (Case Report) 853
 ruptured diaphragm after blunt trauma 737

S

saints, patron, of breast disease (Surg. History) 452
 saline Dextran for post-injury resuscitation (General Surgery Foundation Lecture) 732
 salvage of spleen, assessment 354
 salvaged blood, complement factor C3
 and C3a in (Surg. Research) 302
 sarcomatoid carcinoma of the urinary bladder (Case Report) 235
 screening for breast cancer (Pers. View) 406
 scrotal gangrene 370
 seat belt, lap, mid-ileal stricture and spinal injury in child wearing (Case Report) 640
 selective journal reading (Pers. View) 881
 seminoma, testicular, management of 211
 sepsis after Ivalon sponge rectopexy (Case Report) 469
 septic abdomen, management of by Marlex mesh zipper (Surg. Technique) 385
 serum CEA, effect of hepatic cryotherapy on, in colorectal cancer (Surg. Research) 55
 sialoceles, parotid 742
 sinus cancer, paranasal 290
 skin closure in hip surgery 363
 skin grafts, inlay split skin (Surg. Technique) 444
 skin staples versus polypropylene for skin closure 363

- small bowel obstruction in Chilaiditi's syndrome (Case Report) 462
- spermatic cord tumour (Case Report) 636
- spinal cord paralysis (Pers. View) 478
- spinal injury in child after motor accident (Case Report) 640
- spinal subdural haematoma (Case Report) 703
- spleen injury
 assessment of conservation 354
 CT-guided grading of 349
- splenic rupture, spontaneous, in infectious mononucleosis (Case Report) 389
- split skin grafts, inlay (Surg. Technique) 444
- sponge rectopexy, sepsis after (Case Report) 469
- spontaneous splenic rupture in infectious mononucleosis (Case Report) 389
- squamous carcinoma of the liver (Case Report) 720
- St Agatha, patron saint of breast disease (Surg. History) 452
- staging of colorectal carcinoma 137
- standard versus rapid infusion for liver preservation (Surg. Research) 692
- stanazolol, for fibrinolytic enhancement in treating venous insufficiency (Surg. Research) 306
- Staphylococcus aureus*, infection-resistant vascular graft (Surg. Research) 436
- stapling, anal ulcerative colitis in patients undergoing 821
- starvation, effect of branched chain amino acids on colonic atrophy in rat (Surg. Research) 49
- stenosis, congenital tracheal, resection for (Case Report) 801
- stereotactic neurosurgery, CT-guided 919
- stomach transposition, intrathoracic pyloroplasty after 366
- stomach, watermelon (Case Report) 393
- students, testing of (Surg. Education) 949
- sub-areolar abscess and mammary fistula (Case Report) 313

- transrectal ultrasonography of the prostate (Review) 332
- transurethral balloon urethroplasty 511
- trauma
 blunt facial, orbital blowout fracture (Case Report) 792
 blunt, ruptured diaphragm after 737
 spinal injury in child after motor accident (Case Report) 640
 splenic, CT-guided injury grading 349
- trauma life support, advanced (Pers. View) 809
- trauma services in Sydney, regionalization of 589
- traumatic
 chylothorax (Case Report) 798
 diaphragmatic rupture 207

parotid sialoceles and fistulae 742
 rupture of thoracic aorta 839
 triage in trauma patient transportation 589
 tuberculosis and colon carcinoma 828
 tuberculosis, photodynamic therapy for (Review) 340
 tumour
 fibrovascular polyp of the oesophagus (Case Report) 237
 spermatic cord (Case Report) 636
 tumour differentiation, poor, and nodal involvement 280
 tumour necrosis factor- α immunodetection in blood monocytes and serum of cancer patients (Surg. Research) 141
 tumour necrosis of benign meningioma (Case Report) 553
 tumourectomy in conservative treatment of breast cancer 670
 tumours, synchronous, in colorectal cancer, peri-operative colonoscopy for detecting 25
 twelfth rib osteoid osteoma (Case Report) 862
 twins, ectopia and gall-bladder agenesis in 816
 type IVa choledochal cysts 505

U

ulcer
 bleeding
 peptic, management of 187
 perforation in 183
 ulcerative colitis
 ileo-anal pouch procedure for 825
 in anal canal of proctocolectomy patients 821
 ulcers, venous, healing of (Surg. Research) 844
 ulnar neuropathy at the elbow 929
 ultrasonography for renal abscess in children 217
 ultrasonography, prostate (Review) 332
 undescended testis, early detection of carcinoma in situ cells in management of 667
 unicompartment knee replacement 497
 upper gastrointestinal pathology, bowel preparation
 intolerance as sign of (Case Report) 796
 ureteric calculi, endo-urolological manipulation and ESWL for 654
 urethral diverticulum, female, adenocarcinoma in (Case Report) 869
 urethroplasty, balloon, for outpatients 511
 urinary bladder, sarcomatoid carcinoma of (Case Report) 235
 urinary incontinence, Polytef paste for 663

V

vascular ectasia (Case Report) 393

vascular graft, Dacron, rifampicin impregnation of (Surg. Research) 436
 vascular leiomyosarcoma presenting as ruptured aneurysm (Case Report) 853
 vascular prostheses, infection of 432
 vein grafts, heparin reducing hyperplasia in (Surg. Research) 942
 venous drainage of free flaps after neck dissection 903
 venous insufficiency, fibrinolytic enhancement in treatment of (Surg. Research) 306
 venous spread, distal, in rectal cancer (Case Report) 642
 venous ulcers, healing of (Surg. Research) 844
 very low birthweight babies, direct inguinal hernia in (Case Report) 78
 volvulus, caecal in a child (Case Report) 860
 voyaging to New Zealand (Surg. History) 147

W

warfarin, thoracic intramedullary haematoma as a complication of (Case Report) 789
 warm blood cardioplegia for myocardial preservation in coronary bypass grafting 127
 watermelon stomach (Case Report) 393
 weight loss and nutrient intake after gastric restrictive surgery 195
 Westmead Hospital
 head and neck cancer at 744
 management of testicular seminoma at 211
 winds of change, George Addlington Syme Oration (Pers. View) 169
 wound
 closure in hip surgery 363
 infiltration with bupivacaine after cholecystectomy (Surg. Research) 626

Y

Yersinia colitica, multiple hepatic abscesses from (Case Report) 708

Z

zipper, Marlex mesh, management of septic abdomen by (Surg. Technique) 385
 zygomycosis, endobronchial (Case Report) 391
